Sir,

Sub:-Request of the President Hatyadka Agricultural Co-operative Bank for grant of 3 acres of land in Shibaje Reserve Forest.

Ref:-Your Memo No.AFD 142 FGN 60 dated 30-11-1960 and AFD 6220/60 dated 22-7-1960.

According to Government Order No.AFD 442 DST 57 dated 9-10-1958, 3 acres of land in Shibaje Reserved Forest of Uppinangady Range was granted for the construction of a Co-operative Bank and village Panchayat Board Building on annual lease basis. The tree growth of the plot was disposed of in public auction and the area released to the President, Hathyadka Co-operative Bank, Arasinamakki. The President of the Bank has now represented that the purpose for which the land has been taken is to put up substantive buildings and a temporary permit for occupation of the land would not serve the purpose. The Conservator of Forests, Coorg Circle has reported that the Block Development authorities have objected to the investment of any money on buildings on this land in which the Bank has only a temporary right of occupation. Hence the Conservator of Forests, recommends disreservation of the area of 3 acres in question. I agree with him and request you to communicate orders of Government to surrender the area to the Revenue Department for being granted to the Hathyadka Co-operative Agricultural Bank and the Arasinamakki Panchayat.

The two applications are returned herewith.

From:

The President,
Hatyadka Co-operative Agricultural Bank Ltd.,
Post Arasinamakki (South Kanara).

Dear Sir,

Hatyadka village in Belthangady taluk is situate in the Sub Ghat area in the heart of Malnad. By the efforts of the villagers, we have started an Agricultural Co-opera Bank which is functioning well and properly.

Hatyadka has a Panchayat Board. The village as stated above is in heart of Malnad and most of the area is Reserve Forest. The Co-operative Bank has at present no building of its own and is very desirous of having its own building. The Government has sanctioned a sum of Rs.10,000/- 25% of the same being grant and 75% loan in easy instalments. But to build a building there is no convenient site, particularly on the road side, belonging to private individuals or to the Revenue Department. The Panchayat Board also has no building of its own and the Panchayat Board also has no building of its own. There is no community Hall for the village and the authorities are prepared to grant a substantial sum for construction of a Community Hall in a portion of which the Panchayat Board Office can be located. For this building also there is no proper site available.

For the purpose of building its own building, as also for construction of Panchayat Building, the petitioner Bank applied to the Forest Authorities and the District Forest Officer was pleased to grant a site 3 acres in extent from the Shibaje Reserve Forest. But the grant is for a temporary period of one year on payment of a fee of Rs.6/- and terminable and any time at the at the discretion of the District Forest Officer. As the purpose is

to put up substantial buildings, a temporary permit for occupation of this kind is absolutely no use. Both the Co-operative department authorities as also Block Development Authorities rightly object to the investment of any money on buildings on this land in which the Bank has only a temporary right of occupation.

The plot of 3 acres granted to the Bank for temporary occupation is quite suitable for putting up the Co-operative Agricultural Bank and Panchayat Board Building situate on the road side and centre of the village. The Forest authorities have absolutely no objection to the grant of this plot for a public purpose, and it is not required by them. The entire tree growth in the plot has been auctioned by the Forest Authorities and a sum of over Rs.2500/- realised by the Government. The plot has been completely cleared of all tree growth and has been demarcated.

The Block Development Committeehas recommended the starting of a Health Centre at Aracinamakki and the people of the locality are prepared to pay Rs.12,500/- required by them. The onlydifficulty is of getting a proper site. The buildings required for Health unit also can be put up in this area of 3 acres granted to the petitioner Bank. But here again the difficulty is that the authorities will not allow the putting up of substantial buildings on a plot in which the Co-operative Bank has only a temporary right.

The entire developmental activities of the village are held up for want of a proper plot. The village is very backward in which till now there has been no developmental activities. Now when some schemes are being started, want of a site is obstructing the progress of the same. The Forest Department has a plot which it has kindly placed at

the disposal of the petitioner Bank for this purpose. But then it is on a temporary basis and hence putting up any building thereon is objected to by the authorities.

It is therefore prayed that in the interest of the development of a backward village in Malnad area, 3 acres of land inside ~~Shibaje R.F. in Hatyadka village~~ already granted to the Hatyadka Agricultural Co-op. Bank on a temporary basis may kindly be ordered to be alienated permanentlyfor putting up a building for the petitioner Co-op. Bank, for putting up a Panchayat Building and for putting up the Health unit buildings.

Thanking you, Sir,

Yours faithfully,

President, Hatyadka Agricultural Co-operative Bank.
